

BOSCH

Invented for life

UHI-SBG-0 Series Indoor Housing

- ▶ Economical indoor housing with mount
- ▶ Aluminum mount included
- ▶ Feed-through wiring option
- ▶ Glass fiber reinforced ABS
- ▶ Accommodates 1/4-inch, 1/3-inch, and 1/2-inch CCD cameras

The UHI-SBG-0 Housing is smartly styled for indoor use. This housing meets customers' demands for attractive housings that are both cost competitive and easy to install. They fit a wide range of 1/4 in., 1/3 in., and 1/2 in. format CCD cameras and varifocal lenses.

Functions

The design of these housings is unique. Removal of two tamper-resistant screws is all that is necessary to open the cover and totally expose the camera and lens. This allows access to all camera and lens controls when the camera is in its mounted position. Power and video cabling can be routed through liquid tight fittings in the bottom or rear of the housing. To complete this set, a sturdy aluminum feed-through mount is added.

Certifications and Approvals

Product Safety

CE, UL, cUL

Installation/Configuration Notes

Parts Included

Quantity	Component
1	Indoor housing
1	Aluminum bracket

Technical Specifications

Electrical

Maximum Camera Power Max. 10 W
 24 VAC–230 VAC, 50/60 Hz, 0.5 A

Mechanical

Max Camera/Lens Size (W x H x L)	80 x 60 x 210 mm (3.1 x 2.3 x 8.2 in.)
