

End of Life Statement

November 2011

This document outlines the discontinuation and replacement of the NLSS HD Media Decoder product from Next Level Security Systems.

The product type covered by his statement: NLSS HD Media Decoder

Products

Discontinued product:

- NLSS HD Media Decoder - DC-400
- Part #: DC-400

Replacement product:

- NLSS HD Media Decoder – DC-400-2
- Part #: DC-400-2

RMA Policy

Next Level Security Systems will supply customers with the Discontinued Product (DC-400) as the primary alternative until the unit is no longer available. When this is not possible, Next Level will supply a DC-400-2 as the replacement product.

Support Policy

Next Level Security Systems will continue support for the Discontinued Product until December 15, 2012. No additional feature development will be made on the Discontinued Product effective December 1, 2011.
